

FRIENDS OF STOCKPORT GREEN PARTY

Stockport Green Party needs a lot of money in order to support work in our target wards, which so far has led to the election of 3 Green Councillors. The cost of producing newsletters and leaflets has increased dramatically so that we now need to spend around £4,000 per annum in a ward to be competitive. There are also General Elections where we need to fund a £500 deposit in each constituency, unlikely to be returned, on top of any literature. We have no wealthy backers, and we only receive a fraction of national memberships – the rest going to the National and North-West regional parties. It is therefore vital to have regular income from members and supporters which we can rely on.

To support our work please consider making a regular donation by standing order for any amount and at any frequency that suits you. Please contact your bank to arrange a standing order (Sort Code: 08-92-99 Account No: 65302581), or fill in and send the form below. One off donations by Bank Transfer are also very welcome.
